

The Produce for Better Health Influencer of the Year Award

In 2019, PBH enlisted a group of elite digital and social influencers who we called Fruit and Vegetable Ambassadors in Action (FVAA). In addition to working with FVAA, PBH works with other influencers who contribute content and who we recognize as super fans of PBH's Have A Plant™ Movement. Influencers span from lifestyle bloggers and fitness gurus, registered dietitians, educators and health professionals, chefs and cookbook authors, to recipe developers and more. **The Influencer of the Year Award** recognizes an individual who has gone above and beyond to promote the consumption of fruits and vegetables on his/her own social channels and in their own day-to-day professional activities.

One award will be given for 2019. PBH will cover travel expenses for the award winner to participate at the [Consumer Connection Annual Conference](#) in Scottsdale, Arizona April 13-16, 2020.

Applications should be emailed to engage@pbhfoundation.org by **February 1, 2020**. The winner will be notified by the end of February.

Award Criteria:

- Applicant must be a credentialed influencer within the health and wellness space.
- Applicant must have significant following on personal social media channels, showcasing an influence on behavior change in promoting fruit and vegetable consumption.
- Programs and work presented in application must have occurred during 2019.
- Work included in application must be directed and/or executed by you.
- Applications will be evaluated based on breadth of promotions and programs, inclusion of more than one form (fresh, canned, frozen, dried, 100% juice) in work, success metrics, and use of PBH's call-to-action (Have A Plant™).
