MEET OUR HAVE A PLANT® AMBASSADORS
Our centralized editorial themes unify messaging and build momentum for content to shine bright within our digital and social media ecosystem. We integrate new on-trend monthly and weekly content themes to keep consumers engaged and intrigued all year long!

**Q1: FOOD ROOTED IN BETTER HEALTH**
The New Year is a great time to reset and root yourself in feel-good habits that keep you feeling happy and healthy. Adding one more fruit or veggie to your daily routine can improve health, boost your mood (and your ‘tude!).

**Q2: FOOD ROOTED IN A BETTER MOOD®**
Fruits and veggies are the plants that people aren’t eating enough of. There can be immense joy in the sweet-tasting, healthy eating experience of fruits, and smart satisfaction associated with the success of preparing vegetables as a meal or snack. So here’s a plan, Have A Plant®.

**Q3: CELEBRATING THE ROOTS OF OUR FOOD**
Farmers and growers work tirelessly to bring produce to Americans’ tables to fuel health & happiness. We salute their extraordinary efforts every day, and especially during National Fruits & Veggies Month in September, a plant-packed celebration of America’s favorite and most flavorful plants!

**Q4: FOOD ROOTED IN FEEL-GOOD FLAVOR**
Fruits and vegetables are at the center of our plates, our tables and our food-loving hearts. Bring your friends and family together this holiday season with fruit- and veggie-packed flavorful feasts and feel-good eats.
